

## LED Square 400 mm | 3470400208

Dimensions [mm]

### General features

|              |            |
|--------------|------------|
| Power supply | 230V ~50Hz |
| Light source | LED        |
| Wattage      | 4W         |
| Length       | 400 mm     |
| Dimmer       | No         |

### Lighting

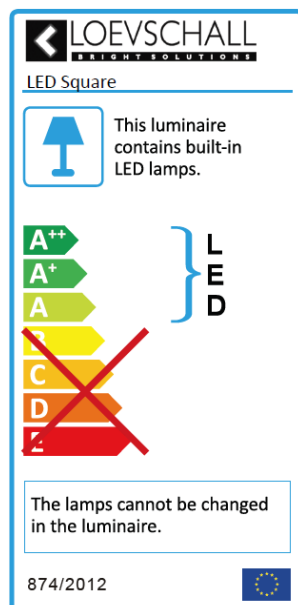

|                        |            |
|------------------------|------------|
| Colour temperature     | 2800-3150K |
| Colour rendering index | >80        |
| Luminous flux          | ~314 lumen |
| Length of wire         | 200 cm     |
| Packing method         | Sales box  |

### Safety

|                  |          |
|------------------|----------|
| IP Class         | IP44     |
| Protection Class | Class II |
| Approvals        | CE       |

### Materials

|         |           |
|---------|-----------|
| Cover   | PMMA      |
| Endcaps | Aluminium |
| Profile | Aluminium |

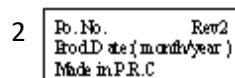

### Packing

| Box   | Weight                        | Size          | Amount |
|-------|-------------------------------|---------------|--------|
| Inner |                               | 415x75x45 mm  | 1 pc   |
| Outer | G.W.: 13.25KGS<br>N.W.: 10KGS | 43x39.5x25 cm | 25 pcs |

### Labels

| No. | Placement    | Size     | Colour      | Print | Amount |
|-----|--------------|----------|-------------|-------|--------|
| 1   | Side of lamp | 50x23 mm | Transparent | Black | 1 pc   |
| 2   | Inside lamp  | 20x10 mm | Transparent | Black | 1 pc   |
| 3   | Inside lamp  | 40x10 mm | Transparent | Black | 1 pc   |

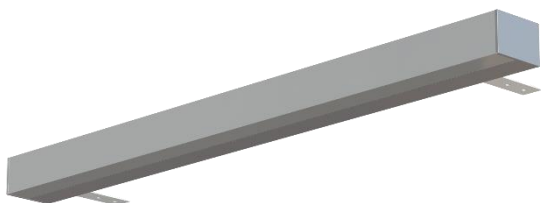

### Accessories

| Type               | Info    | Amount |
|--------------------|---------|--------|
| Instruction Manual | IM-0095 | 1 pc   |

## LED Square 600 mm | 3470400211

Dimensions [mm]

### General features

|              |            |
|--------------|------------|
| Power supply | 230V ~50Hz |
| Light source | LED        |
| Wattage      | 9W         |
| Length       | 600 mm     |
| Dimmer       | No         |

### Lighting

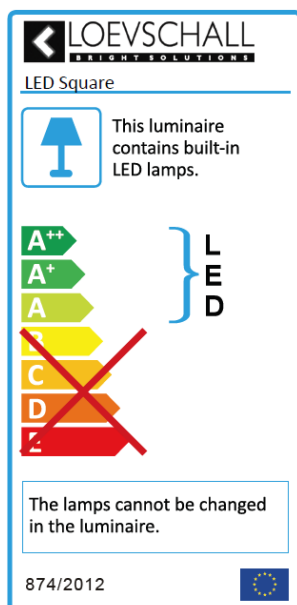

|                        |            |
|------------------------|------------|
| Colour temperature     | 2800-3150K |
| Colour rendering index | >80        |
| Luminous flux          | ~760 lumen |
| Length of wire         | 200 cm     |
| Packing method         | Sales box  |

### Safety

|                  |          |
|------------------|----------|
| IP Class         | IP44     |
| Protection Class | Class II |
| Approvals        | CE       |

### Materials

|         |           |
|---------|-----------|
| Cover   | PMMA      |
| Endcaps | Aluminium |
| Profile | Aluminium |

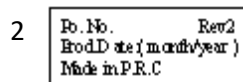

### Packing

| Box   | Weight                         | Size          | Amount |
|-------|--------------------------------|---------------|--------|
| Inner |                                | 615x75x45 mm  | 1 pc   |
| Outer | G.W.: 14.2KGS<br>N.W.: 11.2KGS | 63x32x24.5 cm | 20 pcs |

### Labels

| No. | Placement    | Size     | Colour      | Print | Amount |
|-----|--------------|----------|-------------|-------|--------|

## LED Square 900 mm | 3470400237

Dimensions [mm]

### General features

|              |            |
|--------------|------------|
| Power supply | 230V ~50Hz |
| Light source | LED        |
| Wattage      | 13W        |
| Length       | 900 mm     |
| Dimmer       | No         |

### Lighting

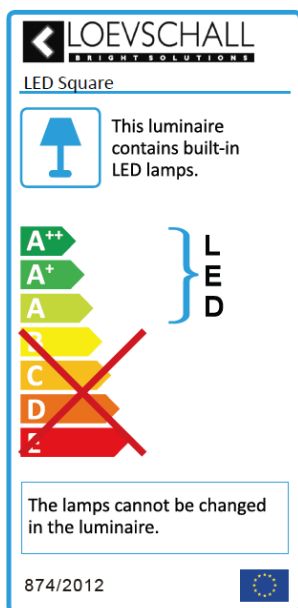

|                        |             |
|------------------------|-------------|
| Colour temperature     | 2800-3150K  |
| Colour rendering index | >80         |
| Luminous flux          | ~1093 lumen |
| Length of wire         | 200 cm      |
| Packing method         | Sales box   |

### Safety

|                  |          |
|------------------|----------|
| IP Class         | IP44     |
| Protection Class | Class II |
| Approvals        | CE       |
